

TOP GUARD

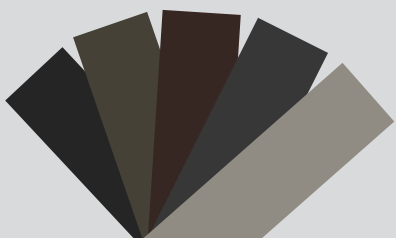

Gutters overflow during storms and can cause a lot of damage to your home. Not only does this look bad, it can also be really costly to fix. Top Guard is designed with our exclusive perforation pattern that stops leaves and debris from clogging the gutters, while still allowing water to flow through. Top Guard has passed rigorous independent testing and is certified to endure 110 mph winds (category 2 hurricane) with no lift or movement, and can withstand 22-inches of rainfall per hour. It will perform as promised even in the harshest weather conditions, keeping you safely off your roof!

- .070 perforated holes
- Compatible with all roof styles
- The Combined design provides better dissipation by diverting rainwater
- Easy installation over existing gutters
- Prevents leaves and debris from entering gutters
- Reduces home and building maintenance costs
- Will not void your shingle warranty
- Made in the USA
- 20-year transferable paint finish warranty
- 1" pre-adjusted overlap so you can easily connect to your next piece, clipping the cover to the lip of the gutter
- Contains special design ware to prevent tiger striping

AVAILABLE IN 5 COLORS

Fits 5" and 6" gutters
Partially perforated for greater
water velocity
