MATERIAL HOMEOWNER GUARANTEE

Gutter Covers International, LLC warrants to the initial retail purchaser and subsequent owners of Top Guard that for a period of 20 years from the date of installation Top Guard will not peel, chip, crack or blister. This material warranty applies under normal exposure to sunlight, temperature and other natural elements, proper installation and normal use and maintenance subject to the limitations, exceptions, disclaimers and other terms and conditions contained in these warranties.

WARRANTY

When properly installed, Top Guard is designed to keep gutters free-flowing and handle all water runoff on roof pitches up to 15/12. Gutter Covers International, LLC provides a twenty (20) year transferable paint finish warranty. With proper care, Top Guard will likely exceed the life of this warranty. This warranty is subject to limitations, exclusions, and conditions. Warranties regarding the performance or installation are provided by the installing dealer.

CONDITIONS

For any warranty to apply, it is required that your gutters first be thoroughly cleaned. Gutters must also be properly sloped, downspouts and underground drains must be cleared of any debris or obstructions and any downspout screens must be removed. Top Guard, which has been improperly installed, altered, abused, neglected, subject to accident, improperly serviced or improperly maintained, are specifically excluded from the coverage of this warranty. All warranties will be null and void if Top Guard is not sold and/or properly installed by a trained Authorized Retailer.

EXCLUSIONS TO WARRANTIES

These Warranties are granted to the initial retail purchaser and transferable with proof of transfer only, and cover only the manufacturing defects as specified herein. Warranties cover manufacturing defects only. They do not cover any other damage or material failure including, but not limited to, normal fading, damage caused by conditions beyond the control of the manufacturer, such as improper installation, settling of the building, failure of the structures (including foundations and walls), use of incompatible equipment, chemical pollutants, salt, fire, flood, ice dams, lightning, windblown objects, earthquakes, hurricanes, atmospheric conditions or other catastrophic weather as defined by the U.S. Weather Bureau, other acts of God, intentional acts, unreasonable uses or failure to provide reasonable maintenance. Gutter Covers International, LLC does not warrant and will not be responsible for any costs, defects or damages with respect to the removal or re-installation of Top Guard products or components.

Although Top Guard requires virtually no maintenance, to promote optimum performance, it may be necessary to spray off the front, or nose, of the product a few times each year with an ordinary garden or pressure hose. This will help prevent silt type buildup. In certain geographic locations where cottonwood trees, hardwood tassels, excessive tree sap and/or resins from trees are prevalent, it may be necessary to spray off the product more frequently.

Painting the "specially coated" Top Guard product will void this warranty. Adjustment to or tampering with the custom engineered Top Guard system by unauthorized contractors (painters, roofers, etc.), or misalignment, dents or deflections caused by ladders placed against or on top of the gutters or Top Guard will void these warranties.

REMEDY AND RIGHTS

If Top Guard fails to meet these warranties, Gutter Covers International, LLC will – at its option – repair; replace, replace with another product, modify the existing product or refund the full purchase price of the failing part, minus the cost of installation. Proof of purchase in the form of the original sales invoice, separately showing the cost of the product and installation is required. Gutter Covers International, LLC makes no warranties except those stated in the express warranties listed in this warranty statement and expressly disclaims all other warranties, express or implied, including without limitation implied warranties of merchantability and fitness for a particular purpose except to the extent expressly set forth in these warranties.
