

OUR COMMITMENT TO YOU

- We only use the best-of-the-best products with no blemishes
- We are quality and results driven
- We create various solutions for different needs
- We care about long-term solutions and relationships
- We do everything as if it was for our own homes and families
- We treat others as we would want to be treated

AN EXAMPLE PROCESS OF HAVING A GUTTER PROTECTION SYSTEM INSTALLED*...

1. Find a dealer in your area
2. The dealer will visit your house for a consultation and scope the work
3. Dealer will draft a quote for your review
4. If approved, your chosen gutter protection system will be installed
5. Enjoy peace of mind by never having to climb a ladder to clean your gutters

Are you ready to protect your home and have peace of mind that your gutters are covered?

Contact your local dealer for a quote today!

*This serves as an example of what a typical process may look like.
Will vary depending on dealer.

AESTHETICS
AND VALUE TO
YOUR HOME**

NEEDLE GUARD™ FOR THOSE ... LITTLE THINGS IN LIFE.

Gutter overflows can quickly cause damage to landscaping, ruin basements and destroy the foundation of a home or structure. Improperly cared for gutters can also lead to other serious and possibly more unnoticeable problems, including, but not limited to, mold, mildew and rot. Needle Guard™ is specifically designed with micro-perforations that allow rainwater to enter the gutter and flow smoothly while keeping pine needles from clogging the system. Needle Guard™ has passed rigorous independent testing and is certified to endure 110 mph winds (category 2 hurricane) with no lift or movement. It is made with high-quality heavy gauge aluminum and can withstand 17 inches of rainfall per hour and heavy snow and ice. It will perform as promised even in the harshest weather conditions, keeping you safely off your roof!

- .045 perforated holes
- Compatible with all roof styles
- Can hold up to 1200 lbs per square foot – heavy snow and ice will not affect performance
- Easy installation over existing gutters by attaching to the roof deck – no mounting brackets or hangers
- Prevents pine needles and debris from entering gutters
- Reduces home and building maintenance costs

**REDUCES
HOME AND
BUILDING
MAINTENANCE
COSTS**

- Will not void your shingle warranty
- Made in the USA
- Transferable 20 year paint finish warranty*
